**Centreville Day School is a non-profit, child focused Christian preschool providing developmentally appropriate experiences designed to foster your child's cognitive, spiritual, social, and physical growth.**

Centreville Day School (CDS) preschool opened its doors in 1985. It is a program of Centreville United Methodist Church and is licensed by the state of Virginia. CDS serves over 150 children ages 2 ½ to 5 years old.

CDS employs a staff of more than 20: a director, an administrative assistant, classroom teachers, classroom aides, and a music teacher. Our school year runs from September through May.

Each day, all of the children experience a variety of planned projects and activities, circle time, story time, free play, playground or indoor gym time, and a snack. Each week all children take part in music class, and all children take part in a monthly Chapel program and mission activities. Additionally, special programs are brought into the preschool for the children throughout the year.

Parent support, interest, and involvement are essential to any successful program for children. CDS enjoys and encourages parent participation and welcomes parent visits..
