### Summer Sunday School Teaching Opportunities

Summer is HERE and that means we have lots of opportunities for parents, grandparents and high school-age youth to give teaching a try for one Sunday or several.

No experience is necessary, only the desire to share the message of God's love with children. Easy-to-use lesson plans and all materials are provided. For the safety of the children, all volunteers must submit a personal reference form.

Summer classes will run June 26 through July 31 for all ages and continue through Labor Day for the preschoolers only. Please contact Diane for more information or a volunteer form.
