### Teens Opposing Poverty (TOP):

All youth grades 7-12 (and parents) can participate in this mission/ministry to feed the homeless in DC. Youth prepare and package food in the church kitchen at 11:30 AM and distribute food to the homeless in parks in Northwest DC. Drivers and chaperones are always needed—this is a great way for parents to get involved!

### Fun/Fellowship Events:

At least one fun/fellowship event is scheduled per month. Parents are often needed to help chaperone events.
