07/28	Bev Bissell	Anna & Chris Tiesler (Piano & Trombone)	Rachel Cahoon & Doug Ullman	Worship Band

## Summer Music Camp

Join us **August 5 - 9, 9:30 - 12:30**, for this year's Music Camp. Rising 2<sup>nd</sup> through 6<sup>th</sup> graders will be exploring music and other activities from around the world.

The camp day is divided into 6 sessions. Campers will sing, ring handbells, do crafts, share in movement and other enrichment activities including exploring many percussion instruments, and have a snack. Campers are grouped by age and will be led from activity to activity by youth leaders, grade 7 and older. Camp week will end with a program on Friday, the 9th at noon, where children will perform songs and dances they have learned through the week.

Registration is \$30 per child with a \$70 family maximum. Registration and Emergency Care forms are available online. Contact Jason Moon at [jmoon@centreville-umc.org](mailto:jmoon@centreville-umc.org) for further information.

## A Note About the Organ

While the restoration work takes place in the sanctuary our pipe organ will be out of commission. In preparation for the sanctuary work to begin on July 1 preparation to safeguard the organ began last week. Some pipes were removed. Remaining pipes were covered with plastic to prevent as much dust particulate from lodging in the pipes and windchests as possible.

## Summer Choir August 18 & 25, 9:30 Service

Join us for this opportunity to sing together while our regular choirs take a break for the summer. All interested singers, rising second grade through adult, are invited to form our summer choir. Singers should meet in the choir room, **ready to begin rehearsal at 8:45**. We'll rehearse the hymns for the day and learn an anthem to share. The choir will sit in the choir loft during the service. We will not wear robes.
