## CHILDREN'S CHOIRS MOVE TO SUNDAY

After over 25 years of children's choirs rehearsing on Monday, this season we are trying a Sunday rehearsal schedule. It is our hope that those who found it difficult to get to a Monday rehearsal will join the Sunday music-making fun!

## Calling new ringers to RAINBOW RINGERS

Kids and handbells - such a great combination! Beginning ringers, grades 3 and 4, will make up this year's Rainbow Ringers. Come on Sunday - bring smiles. Gloves provided.

## VOICES IN PRAISE

Grades 7 - 12

It's time to Change the World! That's true in so many ways but specifically this year "Change the World" is the musical you'll be preparing for presentation in the early spring. So singers, dancers, dramatists - it's your time. Rehearsals begin the week of Sept. 1.
