### Looking Ahead...

Mark your calendars for **Hark the Glad Sound**, the Choir Christmas Program set for Sunday, December 12 at 7:00 PM. Chancel Choir, Voices In Praise, Jubilation, Good News Ringers, brass and percussion will join to share the glad sounds of great joy. Christmas anthems will be shared and there will be congregational singing of favorite carols with organ and brass. The congregation is invited to gather in the sanctuary for the program. It will also be live-streamed.

### Welcome Home Boxes for Afghan Refugees

Music Ministry participants and parents joined together to provide items for Kitchen Welcome Home Boxes, which included pots, pans, bowls, baking dishes, knives and various kitchen utensils. Through donations of items and cash we were able to complete six boxes and thus will be able to extend the love of God to our new neighbors in the form of much needed items for their homes.
