Centreville Day School is a non-profit, child focused Christian preschool providing developmentally appropriate experiences designed to foster your child's cognitive, spiritual, social, emotional and physical growth.

Centreville Day School (CDS) preschool opened its doors in 1985 and is a program of Centreville United Methodist Church. CDS is licensed by the state of Virginia and serves over 150 children ages 2 ½ to 5 years old.

CDS employs a staff of more than 20: a director, an administrative assistant, classroom teachers, classroom aides, and a music teacher. Our school year runs from September through May.

Each day, all of the children experience a variety of theme based projects and activities, including circle time, story time, child-choice free play, playground or indoor gym time, and a snack. Each week, all children take part in music class, and monthly, all children take part in a Chapel program and mission activities. Additionally, special programs are brought into the preschool for the children throughout the year.

Parent support, interest, and involvement are essential to any successful program for children. CDS enjoys and encourages parent participation and welcomes parent visits.

CDS welcomes all children regardless of race, religion, or nationality.

Please call or email the preschool office for information or to schedule a tour of the school.
